EDUCATION	WORK EXPERIENCE
UNCOMMON Digital Marketing GOOGLE GARAGE Fundamentals of Digital Marketing Google Analytics Foundations of UX Design HUBSPOT ACADEMY Digital Marketing Email Marketing Social Media Marketing eMarketing Institute Search Engine Optimization SKILLS Time management Email Marketing Critical thinking Marketing Analysis Ux/UI Design (WebDesign) Communication Social Media Marketing Photography Search Engine Optimization Google and Meta Ads LANGUAGES English Shona Afrikaans German Interests Social Media Movies Outdoor activities Music Cooking	Digital Marketer Jan 2025 to December 2025 Gained hands-on experience with all aspects of digital marketing, including social media marketing, SEO, Email marketing web analytics, and search engine marketing. Managed social media accounts for the organization, increasing followers and engagement. Analyzed web traffic data to identify trends and areas for improvement. Developed and implemented digital marketing campaigns to promote the organization's mission and programs. Youth coding at Uncommon Jan - June 2025 I'm involved in a youth coding program that aims to teach coding and game development to primary and secondary school students in our community. Digital Marketing Intern at RedZone Digital July – Dec 2025 Contributed to the development and execution of digital marketing strategies across the insurance, food service, and fitness sectors, conducting competitor and market research to support campaign positioning and proposals. Managed social media content calendars, improved client engagement and brand visibility, and assisted with SEO optimization, Google Business Profile registration, and performance analytics reporting. Supported event planning and digital communications for major workshops and launches, participated in commercial production through scriptwriting, storyboarding, on-camera acting, and drone coordination, and handled social media and account management for Play365, All Things School, and The Fresh Company, achieving rapid engagement growth on Instagram and Facebook. Also developed SOPs and used Notion to track projects, workflows, and team performance.
